Season of Creation – from 1st September to 4th October

Over the past few years, an increasing number of churches have included a “Season of Creation” in their yearly calendar. This is a time to focus on the importance of creation and the need to explore what Scripture is saying, leading all Christians to pray for and act to protect creation.

We are facing a global challenge of climate change, biodiversity loss and pollution, and our common home is under threat. This year, here at Dorcan, we will be joining this ecumenical global movement and it is an important part of our journey to become an ECO church. On the 5 Sundays between 1st September and 4th October, we will therefore be looking at the theme of creation - in some services there will be a significant focus on the theme, and in others we will be remembering our commitment to creation care in the intercessions.

We start on Sunday 3rd September at our united service and finish on Sunday 1st October, again at a united service, where we are all invited to a shared lunch and to support our Toilet Twinning project. Our prayer is that we will not only learn more in this creation season, but will also look how we personally, and as a church, might respond to the global challenges that we are facing.

Ongoing engagement exploring our future Ecumenical legal structure.

You will be aware that Methodist Circuit Superintendent Revd. David Gray and Archdeacon Venerable Christopher Bryan came to a meeting in August to help us think about whether the current structure of Dorcan as a Single Congregation Local Ecumenical Partnership is still 'fit for purpose' and an aid to us in our witness and mission to the communities around us. They also shared with us the current thinking and position of the wider denominations, Methodist and Anglican. Slides from that meeting were circulated and it should be stressed that we are considering the formal legal structure of Dorcan as a Single Congregation Local Ecumenical Partnership and not the ecumenical essence, ethos and culture of Dorcan as a diverse congregation which includes and is welcoming to those of many traditions.

Thank you for the comments and correspondence we have received to date, and these will be shared at ECC next week. We are currently putting together a summary paper that will outline understanding so far, incorporating some "Frequently Asked Questions". We hope to circulate this as soon as we are able after the upcoming ECC meeting. In the meantime, we would like to invite you to the following opportunities to come together as a church:

**Quiet Day - Monday 16th October at St Mary's, Old Town,
10.00am - 3.30pm**

We are all invited to a quiet day of reflection and prayer led by Revd. Moira Slack. This will be a chance to be together in worship and God's presence as we reflect on our calling as the body of Christ.

**Please bring your own packed lunch, and tea and coffee will be provided. It would be helpful to get a rough idea of numbers, so please do pop your name on the signup sheet in both centres.
Thank you**

Ongoing engagement (continued)

Congregational Gathering - Tuesday 17th October 7pm at St Timothy's.

This is an opportunity for the whole church family to gather and continue sharing thoughts and ideas on how we might structure ourselves while preserving our valued and special ecumenical essence. The Methodist Superintendent and Archdeacon will not be attending – this is a gathering just for us to be able to freely share.

Prayer breakfast – Sunday 22nd October at St Paul's, 8am-09.45am.

This is another opportunity to come together for reflection and prayer, using the resources offered at the quiet day earlier in the week. If you can help with catering and set up please let Nathalie or another member of the staff and wardens team know.

We do hope that you will be able to engage with some of these opportunities and in the meantime please continue to pray and think about this, individually and with others, and let Trudie and Stephen know of any further thoughts and reflections you have. Again, we thank you for all that you do to help make Dorcan the church that it is as we seek to share God's love with the communities where we live.

Harvest Offering – Thank you!

What an amazing harvest offering last week – thank you everyone! The gifts – both the food and financial giving – have been well received, and the fruit included within the fresh produce at Women's Aid was met with excitement by the children. Thank you Dorcan church for your generosity at such a difficult time for so many people.
Trudie

**Shared Lunch
Season of Creation
Toilet Twinning???
Sunday 1st October 2023**

Join us for a shared lunch after our United Sunday Service to celebrate the end of the Season of Creation and to raise some money to start twinning our toilets.

Everyone is very welcome to come and celebrate with us and if able to bring food to share. There will be sign up lists at St Tim's and St Paul's to help ensure we don't all bring quiche.

The other day I had a guided tour of the railway village. What I had not realised was that those houses were built without bathrooms, and it was not until the 1960s that the council-built bathrooms for them. That is still in living memory for some of us or of our parents and grandparents. Sadly, in many parts of the world people still do not have access to a hygienic public toilet let alone one in their own homes. You can imagine all the issues this causes.

Part of our commitment in the Season of Creation is to our global community. One way Eco Church encourages us to take this seriously is to help people have access to good quality sanitation.

Toilet twinning is a scheme run by Tear fund to encourage us to donate and help the building of a toilet for every toilet we have in St Tim's and St Paul's.

A donation of £60 twins one of our toilets. At our shared lunch it would be great to raise enough to twin a toilet in each centre.

If we succeed, we get a certificate with a picture of the loo it is twinned with and their GPS coordinates.

Mission Possible

Just a quick message to say that (as you know) Scripture Union are organising a nationwide tour this autumn called *Mission Possible* and one venue will be Sheldon Road Church. Here is a description of the tour and the link, should you wish to book yourself in. Please feel free to forward this on to anyone who may be interested.

Whether you're a volunteer, an employed children's and youth worker, a church leader, or anyone else passionate about reaching the 95% of young people who are not in church, come and talk with your local Scripture Union team and take the time to discover how together, we can make mission possible in your context.

This is a nationwide tour but for people in Wiltshire, the place to go is **Sheldon Road Church, Chippenham at 7.15pm on Thursday 9th November**. For more information and to book your place click on the following link. <https://content.scriptureunion.org.uk/mission-possible-tour>

Church Garden Green waste

We have over the summer been carrying out extensive pruning, on the trees and bushes in garden at St Pauls, which has generated a lot of branches, etc. to dispose of.

We are gradually whittling it down, if you have a Household Green Waste Bin, with space in it, or have a slot booked at the Tip, and have room in your vehicle, could you help us to reduce the HEAP, further. Offers of Help packing bins and bags with above would also be welcome. Please speak to me if you would like to help.
Many thanks

For 'Link to Hope' Shoebox appeal

We ask people to join in with our Shoebox Appeal 2023 and fill a Shoebox for a family – not just a child. The leaflet contains items for all family members and includes different items. These range from shower gel/shampoo, family games, stationary items, gift for mum and dad as well as sweets, soft toys, hats, scarves etc. Your shoeboxes will go to the poorest people in Ukraine, Moldova, Bulgaria and Romania.

There are shoebox leaflets at both churches. Your completed shoeboxes will need to be given in, approx.in 9 weeks' time on Saturday 4th November in the car park at St Paul's on from 10.00am until 13.00pm, and again from 14.00pm until 16.00pm for a blessing on Sunday 5th November.

The £3.00 for each shoebox, if it is in coins, please do not tape them to the form. Give me the money separate. If you can, it will save me a lot of time and effort. £ notes can be handed to me. Cheques can be made payable to The Dorcan church.

Thank you. For all you support, especially at this present time.

Many thanks.
Paul.
