Sign-off ECC structure and governance

Sunday morning of Nov 24th will be the culmination of much work, to re structure our governance and authority structures to be able to move forward more easily.

As an ECC, we recognise that this has not been without pain, and that there will be many and mixed emotions at this service as we invite Bishop Neil and the Methodist Superintendent David to sign the appropriate documentation with us. It is however a valuable moment, to be thankful for what has gone before, as we pray for what lies ahead, and grateful for this fabulous Church family that we are part of. As such, it was decided at ECC that we should share a lunch together. A time to share conversation with one another, and Revs David and Neil, and to do what Jesus so often did with his friends, share food.

If you are able to stay and contribute something to share, please could you indicate on the sign-up sheets in both centres what you might bring. Any questions, please speak to Nathalie.
